# NATIONAL DAY CELEBRATION

National Day Celebrations was a day filled with love, pride and a shared commitment to move "Onward As One" as a Nation and School. We started off with the formal ceremony and closed the celebration with an unforgettable moment of community singing, joining our voices in harmony to celebrate our beloved nation and its bright future.

We also presented the Class Solidarity Award.

# RACIAL HARMONY DAY 2023

Embracing unity and diversity at  
**Si Ling Primary School.**

We would like to thank our amazing parent volunteers who generously lent a hand as the students got to fully immerse themselves in the unique recess activities. The entire school community came together to make this day even more memorable.

# P6 CHILLAX

All work and no play makes a Si Ling Student a Dull student! The school organised activities like archery and Kin ball for our P6 students after their supplementary lessons during the June Holidays. Their parents took part in these exciting activities too.

# TEACHERS' DAY CELEBRATION

We celebrated Teachers' Day with a concert in the hall. Celebrating our teachers with dedications, performances and a gameshow by our student leaders. A big Thank You to all our SLPS Alumni who made it down to meet our teachers. It was indeed wonderful to see all the familiar faces again.

# P4 CAMP 2023

To build stronger friendships and forge strong bonds among the students and provide opportunities for them to exhibit care and respect towards their friends through experiential learning, our primary 4 students got in action and participated in the P4 day camp at the Singapore Sports Hub through fun-filled activities like human football, acid river and problem-based activity. They created lasting friendships and strengthened their bonds with their classmates! With these smiles from the heart, it was surely an enjoyable and unforgettable #RISEExperience for them!

# BREAKFAST WITH P

This term, our P6 students had the rare opportunity to have Breakfast with the Principal, Mr Koe. During the session, Mr Koe checked in with our P6 students and shared tips to ensure that everyone was in their best state as they prepare for their PSLE.

# NAPFFA RUN

We had our P4/P6 NAPFA Walk/Run at Woodlands Waterfront Park this year. The students had the support of our staff and parents who ran alongside with them.
